**SDG-Impact Journal Rating**

Comparing the sustainability impact of the 50 journals used by the Financial Times to compile its FT Research rankings to Journalytics journals publishing in focused areas of sustainability.

The Sustainable Development Goals (shown below) are the blueprint to achieve a better and more sustainable future for all. We’ve collected SDG data on the following 100 journals listed in Cabells Journalytics—including the 50 used by the Financial Times (FT) in compiling their FT Research rank and 50 publishing in the general area of sustainability. The SDG Impact Intensity ratings are calculated using AI-based textual analysis.
